HTA Technology Security Consulting

On the forefront of knowledge and expertise

Capabilities Statement

About Us

HTA Technology Security Consulting (HTA) is a certified Woman-Owned, Small, and Minority business with offices in Chicago, IL, and the Washington DC corridor. We provide value-added **Cybersecurity, Information Technology, and IT Staff Augmentation** services to U.S. National Intelligence, Defense and Government Agencies, Healthcare, Financial and Commercial customers nationwide. Our services include Infrastructure Design, Risk Vulnerability Assessments (RVA), Security Architecture Review (SAR), Systems Security Engineering (SSE), Risk Management Framework (RMF), Information Security Continuous Monitoring (ISCMAs), Federal Incident Response Evaluations (FIRES), Penetration Testing, Cyber Hunt, IV&V, and Cloud Security Services.

Cybersecurity and **IT leaders** realize their data entrusted to them often remain vulnerable and seek proven and knowledgeable resources that can serve as **"Force Multipliers."** HTA is the go-to for updated strategy, reconfiguring your policy, process, and procedures that will inevitably improve your overall effectiveness in results and significantly reduce your national security risks.

Why Team with HTA?

- We contribute relevant customer experience to specific agencies and past performance.

- We meet socioeconomic subcontracting goals.

- We present insights and understanding of our customer operations and future directions.

- We supply customer-focused, highly qualified personnel.
